

INSTRUCTOR CERTIFICATION TRAINING PROGRAM

July 17th - August 2nd

Monday and Wednesday / 3:30 pm - 7:30 pm
(24 total training hours)

If you are interested in options to provide your students/trainees with nationally recognized industry standardized certification, you need to become a Craft instructor through NCCER.

A *Craft Instructor* is an individual who has successfully completed the Instructor Certification Training Program (ICTP) conducted by an NCCER Master Trainer with current credentials and is authorized to teach the NCCER curriculum.

Craft Instructors must meet the following qualifications:

- (1) Experience at a minimum journey or technician level in their area of expertise.
OR
- (2) A minimum of three years experience as a certified teacher in a vocational/technical construction or maintenance - related training program.

Dates:

Monday, July 17, 2017
Wednesday, July 19, 2017
Monday, July 24, 2017
Wednesday, July 26, 2017
Monday, July 31, 2017
Wednesday, Aug. 2, 2017

**Must attend all dates to
receive certification.**
